ROY COOPER
GOVERNOR

ANNUITY AWARENESS MONTH

2018

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

A PROCLAMATION

WHEREAS, annuities provide a safe alternative for individuals who want a predictable way to meet immediate, ongoing, and future financial obligations and objectives; and

WHEREAS, surveys indicate that many Americans are looking for a financial vehicle that provides the benefits annuities offer, specifically the ability to address the critical concern of running out of money during retirement; and

WHEREAS, outliving one's retirement income creates a financial hardship that may require working additional years of employment, reduce the standard of living in retirement, defeat the fulfillment of legacy goals, or require dependence upon family and friends for monetary support; and

WHEREAS, research indicates that annuity owners have a higher confidence in their overall retirement readiness; and

WHEREAS, because determining what kind of an annuity to buy and when to take income is one of the most important financial decisions consumers can make, individuals and families can benefit greatly from the expert advice of a qualified insurance or financial services professional; and

WHEREAS, the Coalition for Annuity Awareness has designated June as National Annuity Awareness Month to educate consumers on annuity benefits, support them in considering annuities for meeting specific financial goals, and encourage them to seek professional advice for implementing annuities effectively in their income and legacy planning;

NOW, THEREFORE, I, ROY COOPER, Governor of the State of North Carolina, do hereby proclaim June, 2018, as "ANNUITY AWARENESS MONTH" in North Carolina, and commend its observance to all citizens.
