CHIARI MALFORMATION AWARENESS MONTH

2018

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

A PROCLAMATION

WHEREAS, in September 2018, events will be held throughout our state by the North Carolina chapters of Conquer Chiari to support families affected by Chiari malformation; and

WHEREAS, Chiari malformation (CM) is a serious neurological disorder that affects more than 300,000 people in the United States; the disorder was first identified by an Austrian pathologist, Professor Hans Chiari, in the 1890s and categorized in order of severity: CM types 0, 1, 1.5, 2, 3, and 4; and

WHEREAS, Chiari malformations are defects in the cerebellum, the part of the brain that controls balance; these defects create pressure on the cerebellum and brain stem and may block the normal flow of cerebral spinal fluid to and from the brain; and

WHEREAS, the cause of Chiari I malformation is unknown, but scientists believe it is either a congenital condition caused by exposure to harmful substances during fetal development, or a genetic condition, as it may appear in more than one family member; and

WHEREAS, symptoms usually appear during adolescence or early adulthood and can include severe head and neck pain, vertigo, muscle weakness, balance problems, blurred vision or double vision, difficulty swallowing, and sleep apnea; and

WHEREAS, the National Institute of Neurological Disorders and Stroke of the National Institutes of Health is conducting research to identify the cause of Chiari malformations, find alternative surgical options, and create improved treatment and prevention plans;

NOW, THEREFORE, I, ROY COOPER, Governor of the State of North Carolina, do hereby proclaim September, 2018, as “**CHIARI MALFORMATION AWARENESS MONTH**” in North Carolina, and commend its observance to all citizens.
