

State of North Carolina

ROY COOPER
GOVERNOR

HETEROTAXY SYNDROME AWARENESS DAY

2021

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

A PROCLAMATION

WHEREAS, heterotaxy syndrome is a congenital condition in which the internal organs are abnormally arranged in the chest and abdomen; individuals with this condition suffer from complex birth defects affecting the heart, lungs, liver, and other organs; and

WHEREAS, the severity of heterotaxy syndrome is dependent on the specific abnormalities involved, and can range from mild health problems to life-threatening complications in infancy or childhood; and

WHEREAS, the rareness of this condition can make diagnosis and treatment complicated, often requiring families of affected individuals to initiate communication between medical specialists and experts from different fields; and

WHEREAS, due to a lack of research and data, it can be hard to track the mortality of this condition, and community awareness is relatively low; and

WHEREAS, Heterotaxy Syndrome Awareness Day provides an opportunity for families whose lives have been affected to celebrate life and to remember loved ones lost, to honor dedicated health professionals, and to raise public awareness and funding for treatment of this rare condition;

NOW, THEREFORE, I, ROY COOPER, Governor of the State of North Carolina, do hereby proclaim May 4, 2021, as “**HETEROTAXY SYNDROME AWARENESS DAY**” in North Carolina, and commend its observance to all citizens.

Roy Cooper
Governor

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Great Seal of the State of North Carolina at the Capitol in Raleigh this twenty-seventh day of April in the year of our Lord two thousand and twenty-one and of the Independence of the United States of America the two hundred and forty-fifth.
