ROY COOPER
GOVERNOR

MALE BREAST CANCER AWARENESS WEEK

2020

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

A PROCLAMATION

WHEREAS, an estimated 2,670 men in the United States are diagnosed with breast cancer each year and an estimated 500 men will die from the disease each year; and

WHEREAS, the public commonly thinks of breast cancer as a disease affecting only women, a misconception that can delay diagnosis and treatment in men, and increase the chance of dying from the disease; and

WHEREAS, early detection of breast cancer is critical, as those who are diagnosed when breast cancer is in its earliest stages have an increased chance of successful treatment and, ultimately, survival; and

WHEREAS, due in part to a lack of awareness that men can develop the disease, men are generally diagnosed with breast cancer at a later stage than women, which affects prognosis and treatment; and

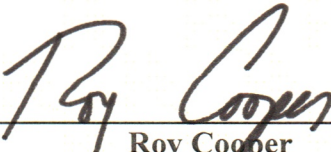

WHEREAS, in order to facilitate early diagnosis and prompt treatment of male breast cancer, public education, awareness, and understanding of the disease is necessary; and

WHEREAS, in remembrance of the men who have lost their lives to breast cancer, and in support of those who are fighting this disease, it is appropriate to designate October 18 – October 24, 2020, as Male Breast Cancer Awareness Week; and

WHEREAS, the State of North Carolina supports increased public awareness and understanding of male breast cancer to improve the rates of early detection and prompt treatment, and encourages people to observe this week with appropriate activities and programs;

NOW, THEREFORE, I, ROY COOPER, Governor of the State of North Carolina, do hereby proclaim October 18 – 24, 2020, as “**MALE BREAST CANCER AWARENESS WEEK**” in North Carolina, and commend its observance to all citizens.
