

State of North Carolina

ROY COOPER
GOVERNOR

NET CANCER AWARENESS DAY

2020

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

A PROCLAMATION

WHEREAS, neuroendocrine tumors (NETs) often develop into cancer and, if left untreated, can result in serious illness and death; and

WHEREAS, healthcare professionals can sometimes underestimate the malignant and metastatic potential of NETs; and

WHEREAS, NET cancer patients are often misdiagnosed or receive a delayed diagnosis, which can have a negative impact on their chance of survival and quality of life; and

WHEREAS, survival for NET cancer patients is further compromised by fragmented care and lack of access to treatment by networks of specialists; and

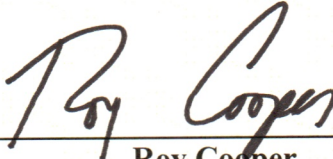

WHEREAS, although there have been advances in the detection and treatment of NET cancers, not all patients are benefiting quickly enough from scientific and medical progress in the field; and

WHEREAS, with early diagnosis and increased access to proper treatment, NET cancer patients can see significant improvements in outcomes and quality of life; and

WHEREAS, the State of North Carolina joins the World NET Community and other supporters in raising awareness, promoting education, and advocating support for all individuals and families affected by NET cancer in our communities;

NOW, THEREFORE, I, ROY COOPER, Governor of the State of North Carolina, do hereby proclaim November 10, 2020, as “**NET CANCER AWARENESS DAY**” in North Carolina, and commend its observance to all citizens.

Roy Cooper
Governor

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Great Seal of the State of North Carolina at the Capitol in Raleigh this fifth day of November in the year of our Lord two thousand and twenty and of the Independence of the United States of America the two hundred and forty-fifth.
