

# State of North Carolina

**ROY COOPER**  
GOVERNOR

**PEST MANAGEMENT MONTH**

**2023**

**BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA**

**A PROCLAMATION**

**WHEREAS**, effective pest management in homes, businesses and public places throughout North Carolina is an important factor in maintaining the health and well-being of all North Carolina residents; and

**WHEREAS**, pest management professionals help protect our food supply, homes and the environment from disease and pest-related illness; and

**WHEREAS**, pest management professionals can offer families and individuals sound advice on protecting their health and property from pests, including information on how to combat allergens and the best ways to guard against termite, cockroach, and ant infestations in the home; and

**WHEREAS**, pest management professionals continue to prioritize research and development in safe and effective pest management strategies for homes, businesses and public places; and

**WHEREAS**, the State of North Carolina encourages people to understand the important role pest management providers play in ensuring the health and well-being for all people and their contributions to our communities;

**NOW, THEREFORE**, I, ROY COOPER, Governor of the State of North Carolina, do hereby proclaim April, 2023, as **“PEST MANAGEMENT MONTH”** in North Carolina, and commend its observance to all citizens.
