Reference: Direct Federal Assistance

Dear Mr. Stanton:

Effective immediately FEMA will neither approve requests for Mission Assignments for Direct Federal Assistance for the US Army Corps of Engineers, nor the addition of new Task Orders to existing Mission Assignments.

The president approved major disaster declaration DR-4827-NC for Tropical Storm Helene on September 28, 2024. It has been eight (8) months since the declaration. FEMA has concluded the State now has the capability to contract for services needed to address the continuing disaster recovery.

Sincerely,

Brett Howard
Federal Coordinating Officer
