

Guide for Governor's Office Opportunities

Click on the title, which links to the posting, to open and apply for the posting

Click on the green "apply" button at the top right

From here, if you have an applicant account, sign in using either your e-mail or username in the top box and your password in the box specifying password to complete, certify and submit your application. Please attach a resume in the attachments section of the application.

If you have an account but forgot your password, click the link shown below the sign-in boxes to send a password reset link to the e-mail you registered with when you established your account. Once you have a working password, you can enter your account. The e-mail you registered must still be accessible to you for in order to retrieve a reset link there.

The image shows a sign-in form with several annotations. At the top, a green box contains the text "create an account if you do not have one" with a green arrow pointing to the "Create an account" link. Below this is the text "SIGN IN TO APPLY" followed by the "Create an account" link. Underneath, it says "All fields are required". There are two input fields: "Username or Email" and "Password", both with green arrows pointing to them from the left. Below the input fields is a green "Sign In" button. Under the button are two links: "Forgot Username?" and "Reset Password". Below these links is the text "or sign in with" followed by a Facebook logo and the word "Facebook". A green arrow points to the Facebook link. On the left side, a green box contains the text "Sign in as shown if you have an account" with a green arrow pointing to the "Sign In" button.

If you do not have an applicant account, click on the "create an account" link at the top right.

The "create an account" link will let you establish an account by supplying an e-mail address, a username, and a password. Alternatively, you can create an account by clicking on the Facebook link.
