

# State of North Carolina

**ROY COOPER**  
GOVERNOR

October 4, 2021

## EXECUTIVE ORDER NO. 236

### EXTENDING CERTAIN HEALTH AND HUMAN SERVICES PROVISIONS IN PREVIOUS EXECUTIVE ORDERS AND DELEGATIONS OF AUTHORITY

**WHEREAS**, on March 10, 2020, the undersigned issued Executive Order No. 116, 34 N.C. Reg. 1744-1749 (April 1, 2020), which declared a State of Emergency to coordinate the state's response and protective actions to address the Coronavirus Disease 2019 ("COVID-19") public health emergency and to provide for the health, safety, and welfare of residents and visitors located in North Carolina; and

**WHEREAS**, on March 13, 2020, the President of the United States issued an emergency declaration for all states, tribes, territories, and the District of Columbia, retroactive to March 1, 2020, and the President declared that the COVID-19 pandemic in the United States constitutes a national emergency; and

**WHEREAS**, on March 25, 2020, the President approved a Major Disaster Declaration, FEMA-4487-DR, for the State of North Carolina; and

**WHEREAS**, in responding to the COVID-19 pandemic, and for the purpose of protecting the health, safety, and welfare of the people of North Carolina, the undersigned has issued Executive Order Nos. 116-122, 124-125, 129-131, 133-136, 138-144, 146-153, 155-157, 161-165, 169-177, 180-181, 183-185, 195, 197-198, 200, 204-207, 209-212, 215-217, 219-221, 224-225, 228-232, and 234; and

**WHEREAS**, COVID-19 continues to infect thousands of North Carolinians every day, and a State of Emergency remains in place for the purpose of maintaining the state's ability to meet challenges presented by COVID-19; and

**WHEREAS**, more than one million four hundred thousand and ten thousand (1,410,000) people in North Carolina have been diagnosed with COVID-19, and more than sixteen thousand seven hundred (16,700) people in North Carolina have died from the disease; and

**WHEREAS**, all 100 North Carolina counties are classified as high transmission areas by the Centers for Disease Control and Prevention ("CDC"); and

**WHEREAS**, the Delta variant of COVID-19, which is more transmissible than the original virus that causes COVID-19, is continuing to spread through North Carolina, particularly across the state's unvaccinated population, generating increased concern from the state's medical professionals; and

**WHEREAS**, in Executive Order Nos. 130, 139 and 152, the undersigned, with the concurrence of the Council of State, determined that the Secretary of the North Carolina Department of Health and Human Services (the "Secretary") required authority to modify or waive enforcement of certain legal constraints or regulations which restrict the immediate relief of human suffering; and

**WHEREAS**, certain provisions of Executive Order Nos. 130 and 139 were extended by Executive Order Nos. 144, 148, 152, 165, 177, 193, 211, and 225 but these provisions are set to expire unless the undersigned takes further action; and

**WHEREAS**, the undersigned, in consultation with the North Carolina Department of Health and Human Services ("NCDHHS") has determined that, due to the progress the state has made in combating the pandemic, certain measures in Executive Orders Nos. 130, 139, and 193 can be rescinded; and

**WHEREAS**, for the reasons specified herein, it is anticipated that the need for the remaining measures will continue for at least a period of ninety (90) days; and

#### COVID-19 Vaccinations in North Carolina

**WHEREAS**, until enough North Carolinians are vaccinated, COVID-19 will continue to cause devastating illness and death; and

**WHEREAS**, rigorous clinical trials have demonstrated that the FDA-authorized and approved COVID-19 vaccinations are safe and effective, and that the known and potential benefits of the FDA-authorized and approved COVID-19 vaccines outweigh the known and potential harms of contracting the COVID-19 virus; and

**WHEREAS**, safe and effective COVID-19 vaccines help protect people from severe illness, hospitalization and death and slow the spread of viral transmission and higher rates of COVID-19 vaccination in a community are associated with reduced hospitalizations and deaths; and

**WHEREAS**, the vaccine is free to all North Carolinians, regardless of insurance status; and

**WHEREAS**, as of the date of this Executive Order, no COVID-19 vaccine has been authorized or approved for children age eleven (11) and younger, and unvaccinated persons of any age are at greater risk that they will contract the virus if exposed, particularly if they are in settings where they cannot socially distance and if they do not wear face coverings; and

**WHEREAS**, children age eleven (11) and younger are relying on those who are eligible to get vaccinated to help protect those who cannot; and

#### Regulatory Flexibility to Address COVID-19

**WHEREAS**, North Carolina and its mental health, developmental disabilities, and substance abuse facilities and service providers need to take all reasonable actions to expand capacity to improve the ability to efficiently respond to the COVID-19 pandemic, thereby reducing the probability that the demand for care in North Carolina will outpace capacity; and

**WHEREAS**, in some cases, these actions have required and will continue to require temporarily waiving or modifying legal and regulatory constraints so that these mental health, developmental disability, and substance abuse facilities and service providers can maintain licensure and continue to provide necessary services; and

**WHEREAS**, decisions about adding and transferring resources continue to require real-time decision-making; and

**WHEREAS**, to continue to enable rapid decision-making, the undersigned has determined that it is in the best interest of the people of North Carolina to provide the Secretary with authority

to modify or waive enforcement of certain legal and regulatory constraints as necessary in order to expand capacity and save lives; and

**WHEREAS**, for example, health care providers are needed to administer the COVID-19 vaccine, however, many individuals with medical training are not authorized to administer vaccines due to licensing requirements; accordingly, the undersigned wishes to remove any such barriers which would prevent or impair the ability of these medical personnel from assisting with vaccine administration; and

**WHEREAS**, to prevent barriers to vaccine administration, it is also critically important that those administering the vaccine, and those providing their property and facilities for purposes of vaccine administration, are provided with insulation from liability to the maximum extent permitted by law; and

**WHEREAS**, the process of vaccinating North Carolinians to levels sufficient to protect the population requires comprehensive and aggressive statewide efforts together with robust community participation; and

**WHEREAS**, accordingly, state officials are directed to marshal all available state property, equipment, and personnel towards facilitating the statewide vaccination effort; and

**WHEREAS**, the State Health Director has been assigned authority by the Secretary, pursuant to N.C. Gen. Stat. § 130A-3, to exercise authorities under N.C. Gen. Stat. § 130A-5, including to investigate the causes of communicable disease affecting the public health in order to control and prevent those diseases, to provide, under the rules of the North Carolina Commission for Public Health, for the prevention, detection, reporting, and control of communicable diseases, and to develop and carry out health programs necessary for the protection and promotion of the public health and the control of diseases; and

**WHEREAS**, the undersigned directed the State Health Director, in addition to and according to her authority in N.C. Gen. Stat. 130A, to issue any statewide standing order needed in her medical judgement to facilitate COVID-19 testing and vaccination, under Executive Order No. 224, as extended by Executive Order No. 229, and for the administration of monoclonal antibody treatment, under Executive Order No. 232; and

**WHEREAS**, the undersigned desires that the statewide standing orders for COVID-19 testing, vaccination, and monoclonal antibody treatment continue through the effective date of this Executive Order; and

#### Statutory Authority and Determinations

**WHEREAS**, Executive Order No. 116 invoked the Emergency Management Act, and authorizes the undersigned to exercise the powers and duties set forth therein to direct and aid in the response to, recovery from, and mitigation against emergencies; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.10(b)(2) the undersigned may make, amend, or rescind necessary orders, rules, and regulations within the limits of the authority conferred upon the Governor in the Emergency Management Act; and

**WHEREAS**, N.C. Gen. Stat. § 166A-19.10(b)(3) authorizes and empowers the undersigned to delegate any Gubernatorial vested authority under the Emergency Management Act and to provide for the subdelegation of any authority; and

**WHEREAS**, N.C. Gen. Stat. § 166A-19.10(b)(4) gives the undersigned the authority to “cooperate and coordinate” with the President of the United States; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.10(b)(7) the undersigned is authorized and empowered to utilize the services, equipment, supplies, and facilities of departments, offices, and agencies of the state in response to the emergency; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.30(a)(1) the undersigned may utilize all available state resources as reasonably necessary to cope with an emergency, including the transfer and direction of personnel or functions of state agencies or units thereof for the purpose of performing or facilitating emergency services; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.30(a)(2) the undersigned may take such action and give such directions to state and local law enforcement officers and agencies as may be reasonable and necessary for the purpose of securing compliance with the provisions of the Emergency Management Act and with the orders, rules, and regulations made thereunder; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.30(b)(2), the undersigned, with the concurrence of the Council of State, may establish a system of economic controls over all resources, materials, and services, including shelter and rents; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.30(b)(4), the undersigned, with the concurrence of the Council of State, may waive a provision of any regulation or ordinance of a state agency or political subdivision which restricts the immediate relief of human suffering; and

**WHEREAS**, pursuant to N.C. Gen. Stat. § 166A-19.30(b)(5) the undersigned, with the concurrence of the Council of State, may perform and exercise such other functions, powers, and duties as are necessary to promote and secure the safety and protection of the civilian population; and

**WHEREAS**, the undersigned has sought and obtained concurrence from the Council of State on the provisions of this Executive Order requiring concurrence, consistent with the Governor's emergency powers authority in N.C. Gen. Stat. § 166A-19.30; and

**WHEREAS**, all the authority granted by this Executive Order is intended to be temporary, and the waivers and modifications of enforcement set out in this Executive Order are intended to extend only through the period where they are needed to address the COVID-19 pandemic.

**NOW, THEREFORE**, by the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, and for the reasons and pursuant to the authority in Executive Orders Nos. 130, 139, 144, 148, 152, 165, 177, 193, 211, and 225, **IT IS ORDERED**:

**Section I. Amendments to Executive Orders Nos 130, 139, and 193.**

- A. Sections 4(A)(1) and 6(C) of Executive Order No. 130 are rescinded as of the effective date of this Executive Order.
- B. Section 1(B)(3) of Executive Order No. 139 is rescinded as of the effective date of this Executive Order.
- C. Section 1(B)(2) of Executive Order No. 139 and Section 3(C)(1) of Executive Order No. 193 are rescinded as of the effective date of this Executive Order. For the avoidance of doubt, any waiver or modifications issued pursuant to the authority delegated under these Executive Orders, as they have been subsequently extended, shall remain in effect for the duration of the waiver or modification, unless rescinded or superseded by another Executive Order, regardless of whether this Executive Order remains in effect or the State of Emergency ends.

**Section II. Extension of Executive Order No. 152.**

To meet the goal of providing health care, public health, and human services during the COVID-19 pandemic, which includes the administration of FDA-authorized COVID-19 vaccines, and to protect and save lives during the COVID-19 pandemic, the undersigned orders as follows:

Executive Order No. 152, as amended by Executive Order No. 165 and as extended by Executive Order No. 177, and as further modified and extended by Executive Order No. 193 and Executive Order No. 211, as further modified and extended by

Executive Order No. 225, is extended by this Executive Order except where otherwise rescinded herein, and is to be in effect until January 5, 2022.

For avoidance of doubt, the preceding sentence also extends through the listed date the provisions of Executive Orders Nos. 130 and 139 that were previously extended by Executive Orders Nos. 193, 211, and 225 and have not been rescinded by this Executive Order.

References to "September 22, 2020," "November 20, 2020," "February 11, 2021," "February 18, 2021," "May 10, 2021," "August 8, 2021," or "October 5, 2021" in Executive Orders Nos. 152, 165, 177, 193, 211 and 225 shall be replaced with "January 5, 2022."

## **Section II. Statewide Standing Orders for COVID-19 Testing, Vaccination, and Monoclonal Antibodies.**

- A. Statewide Standing Order for COVID-19 Testing. In order to further protect the public health by providing greater access to COVID-19 testing, the undersigned orders the State Health Director, in addition to and in accordance with her powers set out in N.C. Gen. Stat. Chapter 130A, to issue any statewide standing order needed in her medical judgment that would allow individuals who meet NCDHHS criteria for testing to access and undergo testing for COVID-19, subject to the terms of the standing order.
- B. Statewide Standing Order for COVID-19 Vaccination. In order to further protect public health by providing greater access to COVID-19 vaccines, the undersigned orders the State Health Director, consistent with her powers set out in N.C. Gen. Stat. Chapter 130A, to issue such statewide standing orders as needed in her medical judgment that would allow individuals eligible for vaccinations to access and receive a COVID-19 vaccination, subject to the terms of the standing order.
- C. Statewide Standing Order for Monoclonal Antibodies. In order to further protect the public health by providing greater access to COVID-19 treatment, the undersigned orders the State Health Director, in addition to and in accordance with her powers set out in N.C. Gen. Stat. Chapter 130A, to issue any statewide standing order needed in her medical judgment that would allow individuals who meet the criteria in the Food and Drug Administration Emergency Use Authorization to access and receive monoclonal antibodies, subject to the terms of the standing order.
- D. Amendment. Subsections 3(C)(1)-(2) of Executive Order No. 130 and Subsections 2(B)(1)-(2) of Executive Order No. 193 are each amended to read as follows:
1. All persons who are licensed or otherwise authorized under an Executive Order to perform vaccinations, COVID-19 testing, or administer monoclonal antibody treatment; issue medical standing orders for vaccinations, testing, or the administration of monoclonal antibody treatment; or perform professional skills in the field of health care are hereby requested to provide emergency services to respond to the COVID-19 pandemic and, to the extent they are providing emergency services, therefore constitute "emergency management workers" to the extent allowed under N.C. Gen. Stat. § 166A-19.60(e).
  2. Therefore, the undersigned intends that all such emergency management workers should be insulated from civil liability to the maximum extent authorized by N.C. Gen. Stat. § 166A-19.60, except in cases of willful misconduct, gross negligence, or bad faith.
- B. Replacement of Sections 2.1 and 2.2 of Executive Order No. 224 and Sections 1 and 2 of Executive Order No. 232. Section II(A) and II(B) of this Executive Order rescind and replace Section 2.1 and Section 2.2 of Executive Order No. 224, respectively. Sections II(C) and II(D) of this Executive Order rescind and replace Sections 1 and 2 of Executive Order No. 232, respectively. The expiration of Executive Order No. 224, as was subsequently extended by

Executive Order No. 229. Neither the expiration of Executive Order No. 229 nor the expiration of Executive Order No. 232 will affect the continuing validity of Section II of this Executive Order.

**Section III. Distribution.**

I hereby order that this Executive Order be: (1) distributed to the news media and other organizations calculated to bring its contents to the attention of the general public; (2) promptly filed with the Secretary of the North Carolina Department of Public Safety, the Secretary of State, and the superior court clerks in the counties to which it applies, unless the circumstances of the State of Emergency would prevent or impede such filing; and (3) distributed to others as necessary to ensure proper implementation of this Executive Order.

**Section IV. Effective Date.**

This Executive Order is effective immediately. Except as set forth expressly above, this Executive Order shall remain in effect until January 5, 2022, unless rescinded or replaced with a superseding Executive Order. An Executive Order rescinding the Declaration of the State of Emergency will automatically rescind this Executive Order.

**IN WITNESS WHEREOF**, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this 4<sup>th</sup> day of October in the year of our Lord two thousand and twenty-one.

Roy Cooper  
Governor

**ATTEST:**

Elaine F. Marshall  
Secretary of State
